Faerie-StarV Anonymous 13/09/25 ▼▼ 00:07:35 No.1 [\[Open\]](#)

I've found someone by the name of Faerie-StarV who has art in a similar

style to AVCHonline's.

As far as I know Faerie-StarV does their art entirely independently and doesn't even know about AVCHonline. Interestingly, they overlap in many areas other than this as well.

So completely unrelated but similar then

To be fair most of the art I've seen on this sites main page looks pretty similar to what you get on those old 'girl games' flash game websites.

Most likely, but there are some other uncanny similarities.

Like Faerie-StarV also doing fanart of Sonic SatAm (example: <https://www.furaffinity.net/view/52759771/>). And most of all this (<https://www.furaffinity.net/view/50747816/>) artwork that is eerily similar to this (<https://www.deviantart.com/avchonline/art/ChineseNewYear-828587031>) artwork by AVCHonline.

Yeh nothing strange here, just 2 seas away from each other with a kida similar art style.

They only really look similar in the same way that most moe anime look similar.

Interesting to check out some old style home made websites though.

Where can I see this series or read this manga? To me it just looks like a blatant ripoff of MLP..
