I don't know what that means, but Trixie looks very cute (and Shining Armor very hot) in a dress.

Google Translate says it's Italian, "E se mlp avese questo stile di queste fan art" apparently translates to "And if mlp had this style of these fan art". And I totally agree with both of your statements.

Does anyone know who is the artist?

u/Applehelpme92 mentioned that it looks like the work of Edgar Degas. While I don't think it was by him, it is very similar to his work. Maybe an artist doing it in his style, or AI based on his work?
